Valid through September 30th 2019

Download Document  
Imaging SDK Now!

The Document Imaging SDK/ActiveX 12.74 from Black Ice Software has been released containing new **Barcode Annotation** objects! The new Barcode Annotation objects will allow users to add barcodes to their images and documents as Annotations, when creating fillable Forms.

The new Barcode Annotation supports all popular 2D Barcodes, such as **QR, PDF417 and DataMatrix** and also supports **1D barcodes**, including Codabar, Code 11, Code 3 of 9 (Code 39), Industrial 2 of 5, Interleaved 2 from 5, Matrix 2 of 5, Plessey, Code 128, EAN-8, UPC-A, UPC-E And more.

The latest release of Document Imaging SDK/ActiveX comes with major improvements for **scanning documents directly into memory**, and also contains stability improvements for **duplex**

**scanning** and for several other scanning functionalities.

The new Document Imaging SDK/ActiveX version includes further stability improvements for loading truncated **TIFF files**, certain image **PDF files** and 1 bit images.

Improved annotation object types including **Highlight, Stamp, Textbox, Multiline-Textbox and Hyperlink**.

The complete list of improvements in the latest Document Imaging includes the following:

- Annotation - Added Barcode annotation type (#11419)
- Annotation - Stability improvement for drawing Highlight annotations (#11501)
- Annotation - Stability improvement for drawing color stamps to 1 bit bitmaps (#11502)
- TIFF - Stability improvement for loading certain truncated TIFF files (#11435)
- PDF - Stability improvement for loading certain image PDF files (#10315, #10983, #11532)
- OCR - Stability improvement for handling 1 bit images on some systems (#11533)
- Scanning - Stability improvements for batch scanning with some multi-function scanners (#11711)
- Scanning - Added debug logging to BiTwain.dll (#11717)
- Updated Manuals

### Free Upgrades and Priority Support

Do not forget to subscribe to future releases by purchasing maintenance. With an active maintenance subscription, you will receive all new releases for free! Priority email technical support is also included in your subscription. For more information, call us at **+1 (561)-757-4107 Extension 3**, or [sales@blackice.com](mailto:sales@blackice.com).

As a special offer, if your maintenance subscription has expired or you did not include the maintenance subscription in your original purchase, simply refer to this newsletter to renew or add maintenance retroactively!

For license information, please visit our [Customer License Management Portal](#).

\*Only valid for new purchases, no upgrades or add-ons. This offer cannot be combined with any other discounts.
