Download the Printer Driver Now!

Black Ice Software has released version 16.71 of the Black Ice Printer Drivers now including **support for the highly anticipated Windows 11 release!**

Upgrading to Windows 11? If you hold a valid support contract your upgrade is free and simple! If your company is making the upgrade to Windows 11, simply utilize the existing serial key for the Printer Driver on the new operating system and continue to take advantage of Black Ice Software's document Converters on the new OS right away.

Don't hold a valid support contract for the Black Ice Printer Driver? Black Ice Software currently is running a **15% discount** on all upgrades to support Windows 11! Use coupon code: **BIWIN11** or

contact our Sales Team at sales@blackice.com for a quote.

Special Installers are available for **Application layer Citrix VDI deployment** for the Printer Driver!

Many **large corporate customers** are not aware that Black Ice Software **offers a special installer** for Application Layer Citrix VDI deployment that greatly **simplifies deployment and licensing**.

Save time and money by using Citrix VDI deployment now supported with the Black Ice Software Special installers.

***The Special Installer is only available with Enterprise license models!* Special installers support both desktop and server deployment!**

No more worrying about managing users and deploying to multiple machines. Using Citrix VDI you create one Master Image of your desktop and then push this master image out to all users.

Special upgrade offers are now available for existing customers wishing to utilize Citrix VDI deployment. Contact our sales team today for special upgrade pricing!

The Special Installer is available for the Printer Drivers and the Black Ice TIFF Viewer.

The complete list of improvements in the latest Printer Driver includes the following:

DATE : 10-08-2021
