New way to Control Printer Manager Features!

Administrative tool to Manager Virtual Printer Drivers

10% discount for Printer Driver*

Coupon code: **gEMArt6**

Valid through December 31th 2018

Download the Printer Driver Now!

Black Ice Software has added an Administrator tab to the Printer Manager, helping domain Administrators to configure and control the Black Ice virtual printer driver for All Users on Servers and Desktop computers! In Active Directory domains with a large number of computers, managing users and privileges it is no longer a daunting task for Administrators. Administrators can streamline configuration with the click of a mouse.

Administrators can now disable any Features/Tabs for all users with a single click, **preventing users from changing the configuration** of the printer driver such as OCR, email sending, FTP uploading and more! **Administrators can even create unique configurations for a single User or a**

Group of users.

Administrators also can now configure logging capability for all users simultaneously, helping to **speed up troubleshooting**, isolate printing problems, and isolate inconsistent printing applications.

The Black Ice Printer Driver Event Viewer Logging can also now be configured to generate an event in the Event Viewer for every single successfully print job. The event will include the Printer Name, Document Name, User Name, Computer Name and more information. The Event logging allows Administrators to **track the print jobs** generated by the Black Ice Printer Driver, which can be beneficial in workplaces where information security is paramount.

For more information about controlling the Printer Manager, please refer to our [online manual](#).

Free Upgrades and Priority Support

Do not forget to subscribe to future releases by purchasing maintenance. With an active maintenance subscription, you will receive all new releases for free! Priority email technical support is also included in your subscription. For more information, call us at **+1 (561)-757-4107 Extension 3**, or sales@blackice.com.

As a special offer, if your maintenance subscription has expired or you did not include the maintenance subscription in your original purchase, simply refer to this newsletter to renew or add maintenance retroactively!

For license information, please visit our [Customer License Management Portal](#).

*Only valid for new purchases, no upgrades or add-ons. This offer cannot be combined with any other discounts.
